

Cheapside / St Aubin's Road Road Works

FROM MONDAY 20 JULY 2009

Commencing Monday 20 July, for approximately 12 weeks, Jersey Water will be undertaking some important improvement works at West Park Avenue / Cheapside.

For the first 2 weeks construction works will require the closure of the road which allows traffic to pass through from St Aubin's Road to West Park Avenue and St John's Road to Cheapside.

During this period please note the following traffic arrangements and information:

Traffic signs - diversion and information signs will be erected at key locations to advise road users travelling along St Aubin's Road and St John's Road.

Parking - on street parking will be suspended, where necessary, to facilitate the free movement of traffic.

Jersey Water apologises in advance for the inconvenience caused by the works and wishes to thank road users and residents for their cooperation.

Any queries should be directed to David Moyse, telephone 707300.

Mulcaster House, Westmount Road, St. Helier, Jersey, JE1 1DG
