

# Data Protection

The terms "personal data", "sensitive personal data" (or "special category data", such terms to be used interchangeably) and "processing" shall have the meanings ascribed to them in Data Protection (Jersey) Law 2018 (the "**Data Protection Law**") (where applicable).

We shall act in accordance with the Data Protection Law and maintain such notifications as may be required under the Data Protection Authority (Jersey) Law 2018.

We may collect, use and process your personal data for or in connection with the purposes set out in such privacy notice as we may publish from time to time on our website [jerseywater.je](http://jerseywater.je) (**Privacy Notice**) which includes, amongst other things (i) to service and administer your Jersey Water account and to carry out our obligations arising from any contracts entered into between you and us including the provision of water related services and (ii) any purpose ancillary to the provision of our services (including, without limitation, performing appropriate credit and privacy risk assessments).

If you are not a natural person, then:

(a) Prior to disclosing (or authorising the disclosure) of any personal data to us, you shall ensure you have a lawful basis for the purposes of the Data Protection Law to permit such disclosure.

For the purposes of this clause, "lawful basis" may include but not be limited to obtaining all and any necessary consents in order to enable the lawful processing of the personal data, and for ensuring that a record of such consents is maintained. Should any relevant consent be revoked:

- (i) You shall be responsible for communicating the fact of such revocation to us; and
  - (ii) We shall not be liable for any additional costs, claims or expenses arising from any disruption or delay to any of our services as a result of the withdrawal of such consent.
- (b) You shall comply in all respects with all the Data Protection Law in performing your obligations under or pursuant to our engagement and shall, in particular (and shall ensure that your directors, employees, agents and affiliates shall):
- (i) Comply with applicable Data Protection laws in relation to any personal data that is processed by in connection with our engagement.
  - (ii) Where required, bring our Privacy Notice to the attention of any underlying data subjects on whose behalf or account you may act or whose personal data will be disclosed to any person by virtue of our engagement, including any of your affiliates, advisers, representatives, office holders, employees, shareholders or agents.
